at St. Mary's

St. Mary's Catholic Primary School

The aim at St. Mary's, is that each child is taught an ambitious, broad and balanced curriculum. At St Mary's, we promote the personal and character development of all children through a wide and rich set of experiences. The opportunities offered go beyond the expected and is of high quality. The quality experiences enhance the quality curriculum on offer.

At St Mary's School we have a rich and diverse Catholic Life programme; we believe our faith permeates all we do for and with our children. Prayer, Sacramental Preparation, the lives of the Saints, SMSVC and Prayer & Liturgy are all active elements of Catholic Life. We follow the Catholic Schools Pupil Profile. We work together across all phases of the school to look at the values that come from the Gospel and teachings of Jesus.
