

Reception

Term: Autumn 2 —2023

“Our community, growing and learning together with Christ”

Festivals and Celebrations

This half term we will be learning about important festivals as they occur.

Why are they important?
How are they celebrated?

How do our families celebrate and does everyone do the same?

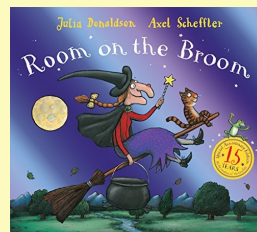

Literacy

Reading: Children will be reading individual letters by saying the sound for them. They will blend these sounds into words reading short words

Writing: Spelling words by identifying the sounds and then writing the sound with letters.

Books we shall explore:

Numeracy

Subitising: Recognising the number of objects up to 5 without needing to count them. Recognising patterns within these numbers and using a tens frame to support this.

Spatial Reasoning: 2D shapes and shape puzzles. Select and rotate shapes. Decompose shapes understanding they have shapes within them.
