2D Shapes.

Focus on Mathematical language; sides, corners, straight, flat, round.

Nursery

Term: Autumn 1 —2025

Communication & Language Listening, attention and Understanding: Listening to instructions. Listening to environmental sounds. Knowing when to listen to my teachers. Speaking: To take turns with my friends and teachers when speaking.	Physical Development Fine Motor Skills: Squiggle While you Wiggle: starting to make movements with my fingers to help me begin to grip things with control. Gross Motor Skills: Pushing, rolling, bouncing. Navigating my new environment safely.	Personal, Social, Emotional Development Story Sessions: Handmade with Love. Children will be told the story of creation, engaging with it creatively through sound, movement and discussion. This session aims to provide children at the outset of the programme with the language and understanding of the fundamental principle that we were created by God out of love and for love.	Understanding the World Science: Main focus - Properties & Uses of Materials. Using The Gingerbread Man. Geography: Name and locate area around Nursery and grounds and recognise features. History: Why do we wear different clothes at different times of the year and different times of the day?
Expressive Arts & Design Creative Arts: Make choices about which materials to use when creating. Bonfire Night — design their own fruit rocket. Music: Remember and sing entire songs. Sing the pitch of a tone sung by another person ('pitch match'). Nursery Rhyme Focus: Ten in the bed + Ten Green Bottles	P.E. Lessons Locomotion: Focus walking (movement) Ball Skills Hands I (pushing, rolling, bouncing) Focus — ball skills	Celebrations & Traditions Whole School Retreat Day Harvest Festival Black History Month National Poetry Day	Wider Experience Exploring our New outside area. A walk through the forest. Special visitors from older children in the school.
