“Our community, growing and learning together with Christ”

## The Nowhere Emporium

*Fiction Unit: Narrative: Bullying*

When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breath-taking world of magic and enchantment... This adventure of a brave character will help guide the children in writing their own adventure.

## The Highwayman by Alfred Noyes

*Poetry Unit: Narrative*

The highwayman is a man who robs rich people on the road. In this poem, he visits his love at night and comes the next day but is warned off by musket shots. When he learns that it is his lover who is dead, he runs to his enemies, the Redcoats, so that they shoot him and send him to his love in death. Inspired from this classic, the children shall write their own poem in a similar form.

**Skills:** range of conjunctions, modal verbs, relative clauses, dialogue, brackets, colons for lists, hyphenated words, fronted adverbials.

**Spelling Focus:** words with an /or/ sound, /or/ spelt 'au', convert nouns or adjectives into verbs: -ate, -ify, -en.

## Calculating with decimal fractions:

Multiplying decimals

Multiplying by 0.1 and dividing by 10

Multiplying by 0.01 and dividing by 100

Multiplying by 10 or 100 to divide decimal fractions by one-digit numbers

10s	1s	0.1s	0.01s
	0	4	4
	4	4	

Diagram showing multiplication by 10 (x10) and division by 10 (÷10) between columns.

## Factors, multiples and primes:

Volume

Cube numbers

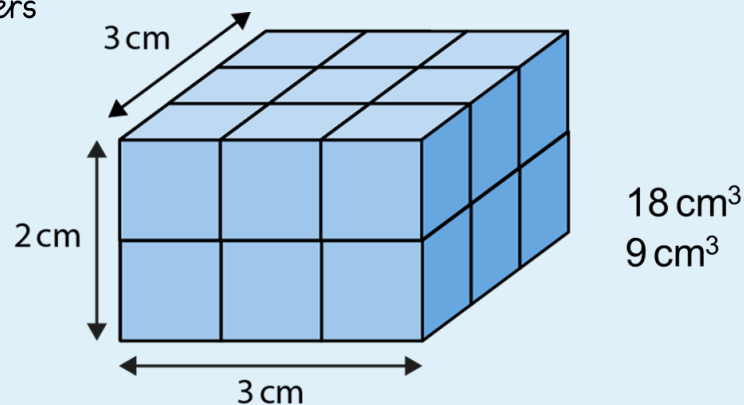

Multiplying 3 numbers

Factors

Square numbers

Prime numbers

Common multiples

# Art

**Drawing:** I need space  
Through the context of Space we shall explore purpose and effect of imagery, understand and explore the decision making process and develop ideas through print making.

# Year 5

**Term: Spring 2 —2024**

# Computing

**Stop Motion Animation:**  
In this unit, pupils will create a toy with simple images with a single movement. They will create a short stop motion recording by moving the image. Later, they will explore making titles and features of their film.

# D.T.

**Mechanical Systems:** Pop up Books  
This term we shall produce a suitable plan for each page of our book with a clear structure. We will assemble the components needed and create a hidden mechanical element for a pop up story book.

# Geography

**Volcanoes and Earthquakes:**  
We shall explore the structure of the Earth, design what is happening at the boundaries between Earth's plates and describe the features of a volcano.

# History

**The Mayans:**  
Exploring this civilisation through the artefacts found by archaeologists to learn about their society, religion and ancient history.

# MFL & Music

**French:**  
French around the World  
**Music:**  
Blues

# P.E.

**Invasion:** Hockey  
Develop defending; blocking and tackling. Refine dribbling/passing to create attacking opportunities. Refine attacking skills, passing dribbling and shooting. Attack  
**Communication and Tactics**

# R.S.E.

**Hope beyond Death** with a focus on heaven and preparing ourselves for that journey.  
**Self-Talk** Being self-aware and self-motivating.

# Religion

**Lent:** Thinking about the concept of 'temptation' as they study Jesus. Reflecting upon what nurtures and damages relationships.  
**Holy Week::**  
Gain a greater knowledge of the last week of Jesus' life.

# Science

**Properties and changes of materials:**  
Differences between solids, liquids and gases.  
Insulating and magnetic materials, dissolving and separating, reversible and irreversible changes.
